Southern Africa Mathematical Sciences Association (SAMSA) 2026 Annual Conference

*Mathematical Sciences: Driving Sustainable
Development for Humanity in the Age of Artificial
Intelligence*

**November 24-27, 2026 UAN Main
Campus, Luanda Angola**

Introduction

The Agostinho Neto University (UAN), through the Department of Mathematics of the Faculty of Natural Sciences, is hosting the Southern Africa Mathematical Sciences Association (SAMSA) annual Conference from 24 to 27 November 2026 at the Agostinho Neto University main Campus, in Luanda, the capital city of Angola.

This Conference will create a platform for the dissemination and promotion of new ideas in the research and teaching of mathematical sciences in Southern African countries and beyond. It will also provide an opportunity for emerging researchers to engage with seasoned experts in the mathematical sciences.

In collaboration with Auburn University, USA, through the SAMSA-MASAMU Program, UAN is also organizing the 2026 Masamu Advanced Study Institute (MASI) and workshops, in the sidelines of SAMSA.

The primary goal of the MASAMU Program is to enhance research in mathematical sciences within Southern Africa Mathematical Sciences Association (SAMSA) institutions through promotion of international research collaboration. For further details, please visit www.masamu.auburn.edu and www.samsa-math.org

Topics

Presentations at the Conference will cover all fields of Mathematical Sciences, including but not limited to, Algebra, Analysis, Geometry, Fluid Dynamics, Discrete Mathematics, Financial Mathematics, Mathematical Biology, Mathematics for Industry, Mathematics Education, Theoretical Physics, Statistics, Data Science, Machine Learning, Theoretical Computer Science and Artificial Intelligence.

Call for Abstracts

Abstracts should be created in LATEX using the template available on the conference website and should be emailed to: _____

Invitation/ Acceptance Letters for Visa

Once your paper is accepted and you need a Visa to visit Angola, email a copy of your passport's first page to _____ so we can assist you with your Visa application and send you a formal invitation letter.

Post-Conference Proceeding

The date for submission of full papers to be published in the SAMSA 2026 Conference Proceedings is October 31, 2026. The papers should be in LATEX and the template is provided on the SAMSA website: www.samsa-math.org.

General Information

Detailed and up-to-date information is available on the Conference website: _____

Registration fees

There will be a Conference Registration Fee of:

- ✓ 250 USD, for Faculty Members;
- ✓ 150 USD, for students.

(The students have to present a valid student ID card)

Banc Details:

- ✓ **Payee:** Universidade Agostinho Neto
- ✓ **Bank:**
- ✓ **Account N°:**

Important Dates and Deadlines

- ✓ **March 1, 2026: Pre-Registration and Abstract submission;**
- ✓ **September 30, 2026: Deadline for submission of Abstracts;**
- ✓ **October 31, 2026: Deadline for submission of full papers;**
- ✓ **November 24-27, 2026: SAMSA Conference**
